At The Core Of Our Operations

Our Vision

Ingenuity in motion to serve stakeholders for market leadership, by far.

Our Mission

Always be customer-centric and proactive. Create digitally-enabled, well-governed, logistics magic, worldwide.

Our Purpose

Helping global supply chains, while caring for sustainability

Our Values

Entrepreneurship with a Purpose

Practice the owner's mindset, as the organisation is the collective soul of its employees. Be unwilling to accept 'it cannot be done' as an answer. Take initiative to push limits. Use resources consciously, chase goals aggressively, be frugal and pursue passion for business excellence.

Customer Centricity

Recognize that our customers are the reason for our existence. Be obsessive about delighting customers and all stakeholders. As our Vision and Mission suggest, go to infinite ends to deliver the best customer experiences.

Innovation and Execution

Constantly strive to challenge conventional views and drive innovation with new ideas, a futuristic outlook and perspectives from the youth. Maximise impact by delivering world-class solutions leveraging IT, digital platforms and newer technologies. Be agile, flexible and lead the disruption.

Collaboration

Build a highly capable and committed team to build growing businesses which deliver highest value by fostering a meaningful relationship with all stakeholders by practicing highest standards of business ethics, humility and governance.

Care for Environment and Society

Always aim to minimise the impact on environment, supporting scientific research that reflects environmental and sustainability concerns. Build a culture of empathy within the companies towards colleagues as well as underprivileged individuals around us. Be responsible corporate citizens and contribute to a better society, country and world at large.

“*The purpose of our business is to dedicatedly serve to ensure stakeholder delight and influence the environment and society at large with our good work, as we abide by our values that form the cornerstone of our business strategies, decisions and activities.*

We are committed to this roadmap as we seek to grow sustainably and deliver logistics solutions with excellence, again and again, with a lot more rigor and enthusiasm as the days pass.”

Shashi Kiran Shetty
Founder and Chairman, Allcargo Group

**Future-ready Operations
Driven by Robust
Digital Transformation**

Four Pillars of Digital Transformation

CUSTOMER EXPERIENCE

- ECU360 to help customers conduct business 24x7 with just a click
- Customer service and assistance accessible across digital presences like website, apps, WhatsApp chatbot, customer portal, social media, etc.

INFRASTRUCTURE

- Setting up tech-enabled facilities, warehouses, Surface Transhipment Centres, etc. with sophisticated Warehouse Management Systems and automation that empowers human capital
- Leveraging technology to reduce energy consumption, minimize environmental impact and adhere to global Environmental, Social and Corporate Governance (ESG) standards

TEAMS

- Enterprise-wide connected digital systems and tools like CRM, Business Intelligence frameworks, HR portals, etc. to make internal operations optimal and efficient
- Bolstering teams with safe, secure access to online sites and networks for maintaining productivity

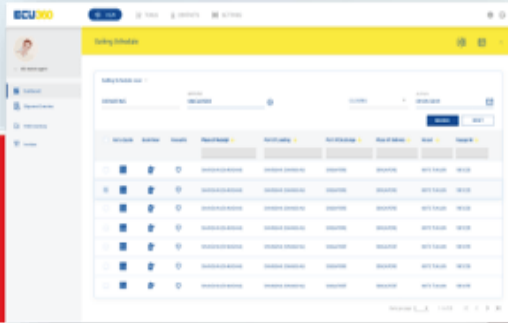

PARTNERSHIP

- White-label technology products along with API/EDI integration that cascade digitalization and its benefits to SMEs, freight forwarders and key accounts
- Online training for vendors and partners to enhance skills

Transforming Logistics with Real-time, AI-Powered Efficiency

ECU360
